PART II - THE PREAMBLE

1. **TITLE:**

This Amendment shall be known as Amendment No. 9 to the Official Plan for the Regional Municipality of Hamilton–Wentworth.

2. **COMPONENTS OF THIS AMENDMENT:**

Only that part of this document entitled "Part III - The Amendment", comprising the attached schedules and text, constitutes Amendment No. 9 to the Official Plan for the Regional Municipality of Hamilton–Wentworth.

3. **PURPOSE OF THIS AMENDMENT:**

This Amendment will change the Hamilton–Wentworth Official Plan by:

- i) adjusting the Urban Area boundary on Map No.1, Regional Development Pattern, to include the lands bounded by Trinity Church Road, Rymal Road East, Swayze Road and the Ontario Hydro corridor within the Township of Glanbrook;
- ii) redesignating the subject lands on Map No. 1 from "Rural Area" to "Urban";
- iii) removing the "Prime Agricultural Lands" designation for the subject lands on Map No. 2, Agricultural Lands & Niagara Escarpment Plan Area; and,
- iv) requiring the approval of a Secondary Plan to the Township of Glanbrook Official Plan prior to the development of Urban uses on these lands.

4. **LOCATION OF THE AMENDMENT:**

The lands affected by this Amendment are located in the Township of Glanbrook and are bounded northerly by Rymal Road East, easterly by Swayze Road, southerly by the Ontario Hydro corridor and westerly by Trinity Church Road. These lands comprise approximately 190 hectares and are known as Part of Lots 1 to 5 in Block 4 and Part of Lots 5 to 7 in Block 5, Concession 1, Geographic Township of Glanford.

5. **BASIS OF THIS AMENDMENT:**

Regional Council has determined that adjusting the Urban Area boundary and redesignating the subject lands from "Rural Area" to "Urban" on Map No. 1, Regional Development Pattern is appropriate for this area of the Township of Glanbrook. As a result of Council's direction, a change is required to Map No. 2, Agricultural Lands & Niagara Escarpment Plan Area. Requiring the approval of a Secondary Plan to the Township of Glanbrook Official Plan will facilitate the orderly development of Urban uses on these lands.

Text Changes

The Official Plan for the Regional Municipality of Hamilton–Wentworth is amended by adding to Section C3 of the Plan, Regional Development Pattern, the following policies:

C 3.1.2.10 Require that the implementation of the Urban Area designation in the Township of Glanbrook for the area bounded by Trinity Church Road, Rymal Road East, Swayze Road and the Ontario Hydro corridor be contingent upon the preparation and approval of a detailed Secondary Plan. The Secondary Plan shall address such matters as land use, urban design, road patterns and transportation, and servicing. The servicing component shall include a Master Servicing and Drainage Plan. Development of this Urban Area shall only proceed subsequent to and in accordance with the approved Secondary Plan and Master Servicing and Drainage Plan.

C.3.1.2.11 That approval of the Secondary Plan and development of the land identified in Policy C.3.1.2.10 not proceed until the following has been satisfied:

- a) Comprehensive transportation and Environmental Assessment studies have been completed and approved to determine the Regional road improvements required to accommodate the full development of these lands; and,
- b) If Regional road improvements are required as determined through the studies noted in Policy C.3.1.2.11 a):
 - i) The method of financing to undertake the required Regional road improvements has been identified;
 - ii) The allocated Regional road capacity is available to accommodate the traffic generated by the development of these lands;
 - iii) The required Regional road improvements have been included in the Capital Budget Program; and,
 - iv) The Regional Official Plan has been amended to implement the Regional road system framework and to identify and protect the land(s) required for Regional road purposes.

3. IMPLEMENTATION:

This Amendment will be implemented by the preparation and approval of a detailed Secondary Plan and Master Servicing and Drainage Plan. The Secondary Plan and Master Servicing and Drainage Plan will be prepared together in a coordinated manner for the entire Urban Area. While it is intended that a single Secondary Plan and Master Servicing and Drainage Plan will be prepared and approved for the entire Urban Area, consideration may be given to a phased approval of these Plans provided they are substantially complete for the entire Urban Area and that such phased approach will not jeopardize the overall planning and development of land uses, urban design, road patterns and transportation, and servicing for the entire Urban Area.

 - (a) Applications for a minor exception shall be in the form as prescribed by Community Planning and Development Division and shall be submitted to the Community Planning and Development Division, completed in full, for consideration along with a fee of \$600. The applicant shall submit the following information with the application:
 - (i) the location of the land on which the minor exception is sought;

(c) Persons designated in (b) above will, upon receipt of a completed application and payment of the fee, make inquiries of the applicant, and arrange for an inspection or report dealing with the application, and consider whether the exception sought is:

- (i) minor in respect of the purpose and provisions of the by-law and the number of trees involved;
- (ii) desirable for the appropriate development or use of the land on which the trees are situate;
- (iii) the general intent and purpose of the by-law is being maintained, and
- (iv) in conformity with Regional Official Plan policies protecting natural areas (Section C(1)).

(e) Where the exception sought does not meet the tests in (c) and the fees required have been paid in full, but the person designated in (b) finds that the exception would meet the tests under reasonable terms or conditions, staff may issue the permit with the terms and conditions to be listed on or attached to the permit where the owner or applicant (if other than the owner), consent in writing to the terms and conditions on the permit.

(f) No owner or applicant to whom a permit is issued shall fail to comply with a term or condition imposed on the permit issued under this section.

(g) A decision to refuse an application for an exception under this section, shall be in writing, and be sent to the applicant by regular mail and shall be deemed received within seven (7) days of the date of mailing.

(h) Where the permit is refused by staff designated under this section, the applicant may, within fifteen (15) days of receipt of written notice under (g), request a hearing before a Tree By-law Committee appointed by Council, by writing to the Director of Community Planning and Development with the request and reasons for the appeal.

(k) Community Planning and Development Division shall schedule a meeting of the Tree By-law Committee and send notice of the date, time, and place of the appeal to the parties.

(l) Council may, upon receipt of the report of the Tree By-law Committee, without further hearing consider whether the exception sought is:

- (iii) if the general intent and purpose of the by-law is being maintained, and

(m) If Council is of the opinion that the tests in (l) above are met by the application, or if the tests in (l) would be met if the permit were issued subject to terms and conditions, then Council may direct a permit be issued and impose terms or conditions on the permit. Otherwise, Council may reject the application for a minor exception.

(n) Where a permit with or without terms or conditions is issued under this section, subject to compliance with any terms or conditions imposed, the trees designated in the permit may be cut notwithstanding section 3 of this by-law.
